

## FAME INTERNATIONAL ART EXCHANGE

**DEAR ART TEACHERS:**

**This year, we are able to have an exchange with two of our Fort Wayne Sister Cities: Gera, Germany and Plock, Poland. Takaoka, Japan will be represented by the Japanese School artwork from the IPFW Campus. Takaoka was not able to send artwork this year. As you remember, they did so in 2007.**

**Procedure:**

- **A display of all three Sister Cities student artwork will be exhibited in the Grand Hall as you enter, near the center information table.**
- **Friday, March 12<sup>th</sup> at 6:00 p.m. committees from Gera, Takaoka and Plock Sister Cities board will select 30 pieces/ each – 90 pieces in all from the FAME art boards. They will put a Sister City Sticker on the paintings that are selected and the pictures will remain with your school boards.**
- **The FAME Festival will close at 5 p.m. on Sunday, March 14<sup>th</sup> and at that time you will be able to take the artwork down from your boards. If your student's picture has been selected from the Sister Cities, please put them in the boxes labeled for each city, which will be located near the information area.**

**These 90 pictures, along with the 90 from the Sister Cities will be exhibited at the Allen County Downtown Library after our FAME Festival for the rest of the month of March. Please tell your students and parents that they may view all of the artwork after March 17<sup>th</sup> until the end of March.**

**The FAME Student Artwork selected to go to Plock and Gera will be sent to these two cities in the spring. We will ask Plock and Gera to send the artwork back to FAME in time for the September, 2010 FAME General meeting. At this time, you may pick up the pictures and return them to your students. The ones selected for the Japanese exhibit will not be sent to Japan since we have not connected to a school in Japan. These pictures may be exhibited in another venue in the city and will be available for pick-up at the Sept. FAME Meeting.**
